

Acculine Profile

Acculine Precision Manufacturing Company was established by Peter Minwei LIU in 2006. We aims to supply over 70% component parts our target manufacturing customers need for their production at home. We supply die castings, machining parts, stampings, plastic injections, sintered metal and plastic, etc. We have a network of long term high quality suppliers for these component parts. And we have a stable and high qualified quality control people, running a strict product quality management system based on western standards.

Mission Statement

Provide customers One-Stop-Purchase Service

Be customers' Chinese outsourcing strategy partner

Principles

Uncompromising IPR implementation

Taking care of component parts for customers, leaving them more time for more value-adding activities.
